Dear Friends,

Well, last month I wrote about how spring was on its way. Sorry I jinxed us! March was probably the most wintry month we’ve had this season. Here’s to a hopefully-springy April!

In case you missed it, our membership topped 1000 last month! And now, at the time that I write this message, it’s actually gone above 1,050. We’re not sure when this growth is going to slow down, but we are doing our best to scale up with our members.

One thing we’ll be doing, as soon as it’s warm enough to paint, is designating a few more parking spaces for handicapped drivers. Additionally, we’ll be painting some parking spots along the east side of the building, to ensure that we’re not unintentionally blocking any of our neighbors from reaching their garages.

For those of us who are able-bodied and can walk a little bit farther, I’d encourage you to consider parking along the street and taking a few extra steps, saving closer parking spots for our participants who struggle with walking. And, for those who enjoy bike-riding, I am working on getting us some bike racks!

As for the gymnasium, we’re on track to start construction this fall. The architects, Friends of Uptown Social, and Department of Public Works agree that it would be best to hold off on construction until autumn, since many projects are weather-contingent while ours is not. The gymnasium build-out is a great project for contractors and sub-contractors to work on in the off-season, where they won’t be affected by rain or cold temperatures. And, hopefully, we might save a little bit of money doing it this way!

The Friends are still actively fundraising for the gymnasium and exercise room build-out. If you haven’t already done so, purchasing a personalized tile is a great way to support this effort! I’ve already submitted the first batch for production, but we can continue accepting tile sales so long as we have walls to install them on. (It’ll be a long time before we run out of wall space here!)

As always, thanks for being here, and thanks for being involved with US!

Emily

P.S. We just announced some new trips for 2024, including Peru. If you didn’t know, my husband grew up in Peru, and I’ve visited twice. I’m planning to go along on this trip. If Macchu Picchu or Lake Titicaca has ever been on your bucket list, this would be a great time to go; I’d love to share this beautiful country and culture with you!
Exercise of the Month: Standing Leg Abduction

1. To perform this exercise begin by standing upright with your toes facing forward.
2. Lift your right foot off the floor to your right side, keeping your legs straight while doing so. Make sure during this movement that your toes are still facing forward.
3. Lower your right leg back down in starting position.
4. Repeat 10-12 times, then switch to the other leg. For modifications you can standing near a wall or chair for balance. This movement is great for hip strengthening and balance.

FALL POLICY INFORMATION FOR MEMBERS

If anyone in our building or parking lot falls and CANNOT get up on their own, we will be calling 911. It is our duty to ensure your safety, and there are too many risks involved in helping someone stand up after a fall. We ask that members do not help other members who have fallen, but instead notify the front desk. Once the Fire Department arrives, it is your decision whether to go with them or stay at Uptown Social. If your injury is severe and you go with the ambulance, we will notify your emergency contact.

A staff member or volunteer will be completing an incident report to be filed with Uptown Social. The Fire Department will provide fall assistance/first aid for no charge the first time, but if one individual person requires fall assistance/first aid more than once a year, there will be a charge.

Please understand that our first priority is your safety, and this is why we need to call the professionals to help you in case of a fall or injury. This policy applies to everyone including staff, if you have any questions, please contact our office.
