Hello Friends,

It's hard to believe summer is drawing to a close. I don't know about you, but I've had the most lovely season enjoying time outdoors, with fewer mosquitoes than normal it seems!

You've probably noticed a lot of changes out front over the summer. Our garden volunteers have been hard at work filling the garden in with perennials that will surely look incredible in a few seasons. Additionally, patio furniture is on the way and should be installed this month, or maybe has been already by the time you’re reading this! Progress on the gymnasium continues behind the scenes, with architects finalizing their plans and timelines coming together to break ground soon. And the best part of that whole construction process? It shouldn’t affect our regular programming or the rest of the building at all!

Besides our continued building adjustments, we've been working on a few other big items. We're in the works to get Uptown Social up and running with the Silver Sneakers program (pun intended!) as well as Optum’s Renew Active fitness reimbursement program. More information to come next month!

And finally, as we come upon cold and flu season, we are now scheduling appointments for our upcoming vaccine clinics starting in October. In partnership with Sheboygan County Public Health, Lakeshore Community Health Care, and the National Council on Aging, we will be offering influenza and Covid-19 vaccinations on-site. For those who are home-bound, we’ll also have the ability to offer at-home appointments. You can call us at 920-459-3290 to schedule an appointment.

See you soon!
Emily
