Directly from the Director

Hello all,

If you typically read the Uptown Social newsletter cover to cover, including my monthly address, this month's letter might surprise you a bit.

Our newsletter typically goes to print about two weeks before you read it. As I write today on August 14, I'm writing from the first floor of my home.

You might have heard that I was involved in the multi-car accident on Hwy 23 on August 7th. My children were with me in the car on our way into Sheboygan for the day when we were caught in the accident. All three of us were taken by Orange Cross to the Emergency Department where we were examined. Fortunately, my children did not sustain serious injuries and were released later that day. As for me, my driving foot was broken and dislocated in multiple locations. I underwent surgery the following day and was released from the hospital the following Monday, August 11. Hopefully by the time you're reading this, I'm back in person at

Uptown Social zipping around on my scooter.

Over the past week, I've been thinking a lot about community. I have felt the support of community in my personal life, as many friends and family jumped in to help me with meals, childcare, and transportation. Many of our Uptown Social members have reached out with words of support and kind offers of assistance.

In thinking about all of this, I think this is the special ingredient that makes Uptown Social so exceptional. We as a team talk a lot about how different Uptown Social is from typical 'senior centers,' and community is the reason. Whether you're visiting us once a year for a live band, once a week for a regular program, or once a day to use the walking track, I hope you feel a sense of community at Uptown Social. And if you've been too nervous to visit us for the first time, I hope this letter gives you the push to try it.

See you soon,
Emily

A Note from the Friends

The Friends of Uptown Social is a 501(c)3 nonprofit organization that supports Uptown Social through advocacy, volunteerism, and funding. In the past, the Friends have funded initiatives such as staff positions and major capital projects, including the furniture at Uptown Social, along with about 50% of the gymnasium and exercise room. Our volunteer board of directors, composed of diverse community members, meets monthly to strategize ways to enhance Uptown Social. When you donate to the Friends, you're making a direct impact on the ongoing operations and long-term improvements at Uptown Social.

Volunteer of the Month

Bonnie Feld has been a Program Leader Volunteer here at Uptown Social and the Senior Activity Center almost since inception. At the nudging of her husband Ron, she began our knitting group while she was still working. This group has grown from four attendees to over 15. Crafting Hands incorporates all types of handwork including crocheting, tatting, needlepoint and knitting and meets Monday mornings.

Bonnie has taught tatting classes, held dye clinics and led the spinning group at the old center. She now also leads a Yarn Making group on Tuesday afternoons in addition to Crafting Hands. Currently, she is very proud of her new project which is a cardigan she is knitting from yarn she spun with her drop spindle and dyed. Bonnie is such a gift to our center. Her favorite part of the groups she leads is the fellowship and friendships created as well as how they problem-solve together on each other's projects. Thank you, Bonnie!

Interested in volunteering?

Volunteers are the heart of Uptown Social. If you are interested in a fun, meaningful way to spend your time and meet new people, consider volunteering with US! We are always looking for volunteers to help with the Front Desk, Programs, Special Event, Gardening or Technology.

If you would like to discuss volunteer opportunities, please email Jane at jane.brill@sheboyganwi.gov or call her at 920.226.3523. You can also pick up a volunteer application at the Front Desk.
